# Concierge Pediatrics – Summer 2026

## Camp Healthcare Support Pricing Full Details

### Healthcare Support - Entire Season

*Concierge Pediatrics will provide comprehensive telehealth support for your camp throughout the summer season.*

#### Pricing varies by camp size (please see previous page)

- Real-time access to a Concierge Pediatrics provider for medical needs
- Virtual Exams: Multiple, clinically accurate remote assessments for timely diagnosis and treatment from a Concierge Pediatrics clinician via diagnostic telehealth device
- Prescription Management: Timely prescriptions, treatment recommendations, and care coordination with local pharmacies and providers
- Clinical Documentation: Provider notes & access integrated directly into camp's EMR
- Medication Management: Stocking, call-ins, and coordination for medication needs as needed
- Standing Orders & COI: Preparation of standing orders and Certificate of Liability Insurance
- Staff Training & Workflow Planning Orientation session for camp nurses and administrators to ensure smooth operations and protocols
- Complimentary Staff Healthcare Access

### Healthcare Support - Weekly Coverage

*Concierge Pediatrics offers the same high-level support on a week-to-week basis, ideal for camps seeking flexibility or part-season coverage.*

#### \$2,500 per week includes:

- Real-time access to a Concierge Pediatrics provider for medical needs
- Virtual Exams: Multiple, clinically accurate remote assessments for timely diagnosis and treatment from a Concierge Pediatrics clinician via diagnostic telehealth device
- Prescription Management & Care Coordination: Rapid response for treatment, medication needs, and coordination of care
- Clinical Documentation: Provider notes & access integrated directly into camp's EMR
- Medication Management: Call-ins & coordination for any medication needs
- Staff Training & Workflow Planning Orientation session for camp nurses and administrators to ensure smooth operations and protocols
- Complimentary Staff Healthcare Access

### Healthcare Support – Out-of-Camp Trips

*Concierge Pediatrics provides dedicated physician support when campers are off-site, ensuring continuity of care and minimizing the need for urgent care visits.*

#### \$1,500 for trip week includes:

- Virtual Exams: Multiple, clinically accurate remote assessments for timely diagnosis and treatment from a Concierge Pediatrics clinician via diagnostic telehealth device
- Pre-Trip Training & Workflow Planning: Dedicated session for nurses & trip leaders to establish clear protocols
- Direct Provider Access: Real-time texting/calling board-certified pediatricians during the trip
